*“As proprietors Perry and Carolyn Butler move toward virtually all estate fruit from their 42 acres on the slopes of Spring Mountain, the quality of their wines has increased dramatically. Juslyn has been a solid performer for many years, but the most recent vintages exhibit a profound rise in quality, yet prices remain realistic for high end Napa wines.”*

### **2006 Spring Mountain Estate Cabernet Sauvignon, Spring Mountain District, Napa Valley**

The 2006 Cabernet Sauvignon Spring Mountain is one of the great successes for mountain Cabernets. Made from 100% estate fruit, it displays a dense purple color along with a beautiful bouquet of spring flowers, blue and black fruits, and graphite. The perfumed aromatics are accompanied by sweet tannin, full-bodied power, and a beautiful integration of wood, acidity, and tannin. This is a strikingly graceful, elegant Cabernet with considerable flavor intensity. It should evolve for 15-20 years. **95+ points**
