*“As proprietors Perry and Carolyn Butler move toward virtually all estate fruit from their 42 acres on the slopes of Spring Mountain, the quality of their wines has increased dramatically. Juslyn has been a solid performer for many years, but the most recent vintages exhibit a profound rise in quality, yet prices remain realistic for high end Napa wines.”*

#### **2007 Perry's Blend, Spring Mountain District, Napa Valley**

The 2007 Perry's Blend (42% Cabernet Sauvignon, 33% Merlot and the rest Cabernet Franc and Petit Verdot, all from the estate vineyards on Spring Mountain) exhibits tremendous aromas of flowers, blue, red and black fruits, graphite and forest floor. Elegant yet powerful, rich, concentrated, pure and impeccably well-balanced, it reminds me of a hypothetical blend of a Bordeaux and a cool climate, Cabernet-based red from Napa. Drink it over the next 15+ years. *93 points*
