Juslyn Vineyards, Spring Mountain - Napa Valley

Juslyn's property was purchased in 1997 by British expatriates, **Carolyn and Perry Butler**, who have 7.5 acres planted on Spring Mountain. The 2005 vintage is the first vintage that Juslyn's Vineyard was utilized to produce both the Estate Cabernet Sauvignon and the Perry's Blend. Heading up work in the vineyards is famed Vineyard Manager **Oscar Renteria**, who has produced outstanding grapes for many prestigious Napa Valley vineyards. In the cellar, we benefit from the experience and expertise of winemaker **Craig MacLean**. After completing his Masters Degree from the University of California, Davis, Craig has produced world-class Cabernet Sauvignon at some of the Napa Valley's most prestigious wineries including Markham, Cain, and Spring Mountain Winery. Craig joined Juslyn in 1997 and has carefully crafted each of the winery's vintages.

"As proprietors Perry and Carolyn Butler move toward virtually all estate fruit from their 42 acres on the slopes of Spring Mountain, the quality of their wines has increased dramatically. Juslyn has been a solid performer for many years, but the most recent vintages exhibit a profound rise in quality, yet prices remain realistic for high end Napa wines."

"It seems to me that Juslyn is still somewhat under the radar for many wine consumers, but this is irrefutably an up-and-coming serious producer on Spring Mountain. Perry and Carolyn Butler, who own this magnificent 42-acre estate halfway up Spring Mountain, continue to fine-tune and increase the quality of their wines as the estate vineyards come into production. Their estate fruit is supplemented by purchases from some of the top growers in Napa, especially from Andy Beckstoffer's vineyards in Napa. These wines have come on strong over the last three or four vintages, and they are brilliant examples of elegant Bordeaux-styled Cabernets, with freshness, outstanding aging potential, and beautiful purity and depth."

2007 Perry's Blend, Spring Mountain District, Napa Valley

The 2007 Perry's Blend (42% Cabernet Sauvignon, 33% Merlot and the rest Cabernet Franc and Petit Verdot, all from the estate vineyards on Spring Mountain) exhibits tremendous aromas of flowers, blue, red and black fruits, graphite and forest floor. Elegant yet powerful, rich, concentrated, pure and impeccably well-balanced, it reminds me of a hypothetical blend of a Bordeaux and a cool climate, Cabernet-based red from Napa. Drink it over the next 15+ years. **93 points**

2007 Spring Mountain Estate Cabernet Sauvignon, Spring Mountain District, Napa Valley

The fabulous, dense ruby/purple-tinged 2007 Cabernet Sauvignon Spring Mountain Estate offers up scents of cedarwood, creme de cassis, graphite and fruitcake. Again, elegance combined with power, a glorious, multilayered texture and a stunning finish result in a brilliant Cabernet that should drink beautifully for 15-20+ years. **95+ points**
